10 vs.

12 Defendants.

Case No. 2:11-cv-00320-LRH-GWF

ORDER

14 On January 4, 2012, the Court entered Order (#35), which directed the Defendants to submit
15 sealed copies of the Plaintiff's medical records to the Court for *in camera* review to determine
16 whether any information contained therein should be disclosed to Defendants. The Defendants
17 submitted sealed medical records for *in camera* review dated January 19, 2012 and February 21,
18 2012. The Court reviewed those records and entered a Order (#41) regarding the disclosure of
19 such. The Court received a third set of medical records dated February 28, 2012. The Court has
20 reviewed those documents and issues the following order.

21 The Court finds Plaintiff's medical/mental health treatment records submitted for *in camera*
22 review contain information relevant to Plaintiff's claim for loss of income or impaired earning
23 capacity as an attorney-at-law. The records also contain personal and private information that is
24 irrelevant to Plaintiff's ability to function as a lawyer or to his other damage claims. Those matters
25 will be redacted. Accordingly, Plaintiff's counsel shall make arrangements to pick up from
26 chambers a copy of the un-redacted records and copy of the records with the redactions proposed
27 by the Court. Plaintiff shall have until **Friday, March 16, 2012**, to raise any objections regarding
28 the disclosure of the redacted medical records dated February 28, 2012. If Plaintiff does not object,

1 then Defendants' counsel shall make arrangements to pick up from chambers a copy of the redacted
2 medical/mental health treatment records. Accordingly,

3 **IT IS SO ORDERED.**

4 DATED this 6th day of March, 2012.
